

# Are you eligible for Free/Reduced Meals?

Apply at [ezmealapp.com](http://ezmealapp.com) (opens July 15)

## What is a Title 1 School?

If at least 47.2% of our students qualify for free/reduced lunch, then we qualify as a Title 1 school.

## Benefits for being a Title 1 School

Title 1 schools receive extra federal money through a federal grant to cover the costs so that ALL of our students receive a fair, equitable and high quality education.

## Benefits for Students

If eligible, your child will receive a free/reduced breakfast and lunch. Title 1 schools have more funds to spend on our students, such as technology, online programs, teachers, classroom resources, etc. **See below for more information about benefits for students.**

## Applications

Please submit your lunch application (paper or online) BEFORE the Title 1 Due date in September. Many families are surprised that they qualify! It can help your family save time, money and help out the school at the same time.
